Subject: Climax Mine

---

Hi Toney,

Do you have any news RE the original CPDS permits of the mine? Can you find out if the Corps have made an additional attempt at getting hold of them? Our OWM person (Erin Flannery) is looking into the case and having the original permits (or at least a better map than the one attached to the CPDS permit we have on file) would be of great help to her.

Thanks,  
Hadas
